PROFESSIONAL SUMMARY

Results-driven Google Merchant Center (GMC) Specialist with over 8+ years of hands-on experience in resolving complex GMC account suspensions, policy violations, and data feed errors for Shopify and WordPress e-commerce stores. Specialized in fixing Misrepresentation issues, optimizing product data feeds, and ensuring full compliance with Google Shopping Ads policies. Proven track record of helping global clients reinstate suspended merchant accounts, improve product diagnostics, and maximize Google Shopping performance.

WORK EXPERIENCES

Fix GMC Specialist | Freelance & E-Commerce Consultancy

Duration: March 2026 – Present

- Conduct comprehensive website and product feed audits to identify policy violations, technical errors, and data discrepancies.
- Resolve critical Google Merchant Center issues, including Misrepresentation, website compliance failures, and suspended accounts.
- Configure and manage Google Tag Manager, Google Analytics, and Search Console for accurate tracking and feed verification across Shopify and WordPress platforms.
- Optimize product feeds (title, description, GTIN, feed attributes) to align with Google Shopping Ads and Free Listings policies.
- Successfully appeal and recover suspended GMC accounts for international clients.
